

Section: The Nine Planets

Create a poster that features one of the nine planets. Each poster should show a cross section of the planet's interior. The poster should also note factual information about the planet such as average temperature and its distance from the sun and Earth. There might also be some interesting mythology associated with the planet that you could note.

Section: The Inner Planets

Create a mnemonic device to help you remember the order of the planets:

Mercury, **V**enus, **E**arth, **M**ars, **J**upiter, **S**aturn, **U**ranus, **N**eptune, **P**luto.

Record your mnemonic device in your **science journal**.
